

# ONE THOUSAND ACTIONS FOR THE PLANET

## Virtual Volunteering - Join the Movement

If you are 18 years and under there are many ways you can volunteer with Millennium Kids.

1. Download the Virtual Volunteering template
2. Check out our website [www.millenniumkids.com.au](http://www.millenniumkids.com.au) and look at the big issues
3. Check out the Virtual Volunteering ideas and create your volunteering plan
4. Undertake 20 hours of volunteering in your own time
5. Keep a record of your hours on the template
6. Take a photo and tag us on Instagram each time you do an activity. Use hashtag #1000actionsfortheplanet
7. Send a report or story to [info@millenniumkids.com.au](mailto:info@millenniumkids.com.au) and we'll publish it on [www.millenniumkids.com.au](http://www.millenniumkids.com.au)
8. Ask a teacher or parent guardian to sign off on your hours and send Millennium Kids your checklist.
9. You will receive a Thank You postcard and your volunteering will be reported on our website to inspire others.

\_\_\_\_\_ has completed 20 hours volunteering

\_\_\_\_\_ Parent Guardian Signature

### Water

- Organise a school, beach or river clean up.
- Make a poster on recycled or scrap paper about saving water and put it up in your bathroom or school.

• \_\_\_\_\_  
\_\_\_\_\_

### Waste

- Join the Waste Free Movement and write a blog post about the steps that you're taking towards being waste free and encourage others to join in.
- Start a compost bin or worm farm at your home or in your school.

• \_\_\_\_\_  
\_\_\_\_\_

### Plants

- Ask your local Council about joining a tree planting group.
- Fund raise for an organisation that protects forests.

• \_\_\_\_\_  
\_\_\_\_\_

### Air and Transport

- Start a Your Move team at your school or run a campaign to encourage others to
  - Walk, bus, or cycle to school.
  - Carpool or share rides to local sporting and other activities

• \_\_\_\_\_  
\_\_\_\_\_

### Animals

- Build a bee hotel and provide a home for insects
- Make a flyer about the benefits of keeping your cats inside and the dangers cats pose to local wildlife

• \_\_\_\_\_  
\_\_\_\_\_

### Peace and Lifestyle

- Visit local indigenous workshops and learn about their culture and traditions.
- Visit a nursing home and read a story to the elderly.

• \_\_\_\_\_  
\_\_\_\_\_

### Energy

- Start a workshop on how energy use could be reduced/monitor energy use at home and school.
- Create informative reports/blogs about the energy sector, energy concerns, clean/renewable energy, their challenges, etc.

• \_\_\_\_\_  
\_\_\_\_\_

### Climate Change

- Write to a local politician and tell them your concerns about climate change.
- How does climate change make you feel? Write an article about this and submit it to your local newspaper
