

# Two Day Leadership Lab

Your Move is a free program helping students get active by increasing walking, scooting and riding to school. Our travel behaviour change experts work with Your Move Champions to tackle traffic issues and help provide practical ways to teach & develop sustainability at your school.

**As a Your Move school we are pleased to invite your school to nominate 10 students accompanied by a teacher to attend our Your Move Leadership Lab.**

At the two day Lab students and teachers will:

- be introduced to Millennium Kids Project Based Learning tools;
- have opportunities to share ideas with students from other schools;
- find out about the skills and knowledge needed to develop a successful project to get people active at your school;
- plan a project in collaboration with others; and
- pitch their project idea to a panel of experts.

**To register your school or for more information**
