

1000 ACTIONS FOR THE PLANET

WE EXIST TO TACKLE
THE BIG ISSUES

I THINK!
I CARE!
I DO!

**Young people want to be engaged and active in making real change in their world.
Use the Millennium Kids skills for life tools to kickstart your class project.**

- Work with trained Millennium Kids facilitators to audit your school or community and develop a 1000 Actions for the Planet project.
- Learn leadership skills and engage in some big thinking to take your idea from concept to project pitch.
- Map your project idea to the UN Sustainable Development Goals and pitch your ideas for change.
- Be inspired by Millennium Kids who have changed their world.
- Projects can be submitted to Millennium Kids for a \$500 funding grant to make their project real.

Two days | **\$2480.00**
Full day | **\$1240.00**

Half day | **\$620.00**
One hour | **\$320.00**

Max two classes per session.

Professional Learning sessions are also available for teachers with an interest in sustainability education.
Email info@millenniumkids.com.au for more information.

Millennium Kids is a non governmental organisation run by young people for young people. It was established in 1996 in response to the demands from young people who wanted to have a say about their environment and their world.
